### Product Description

Insert: Betrayal House On the Hill + Expansion

The e-Raptor Insert for Betrayal at House on the Hill + Expansion is the perfect accessory and is designed to enhance the storage and gaming experience.

With the Insert, all components of the basic game and expansion can be safely stored and organized - no more chaos in the box or on the table, no more unnecessary searching for materials during the game. With the insert, the game plan and the rules also fit into the box without any problems when closing the box.

It is stable and made of high-density fiberboard. No glue is needed for the assembly.

Attention! Not suitable for children under 36 months.
