Product Description

The Caribbean classic with pirate flair is back! In Port Royal - The Dice Game, players now swap cards for dice and pens. However, the aim remains the same: to put together a powerful crew and win the vast seas for themselves. If you make it to one of the islands, you can hire new crew members and use them to gain valuable skills. But be careful, if you gamble too high, you'll get a real headwind! Port Royal - The dice game has two phases: First, the player whose turn it is rolls the dice. With each roll, the game board fills up with different coloured ship and steering wheel tokens. The more tokens, the better, and you can roll the dice as often as you like. However, if the same ship symbol appears twice and cannot be fended off with the help of sabre-rattling crew members, the game is over and the person rolling the dice goes home empty-handed while the others at the table can fill their pockets. However, if they manage to escape in time, they can exchange token(s) for actions on their own game board before the others - either to reach new islands or to gain access to one-off effects. Who will manage to sail away from the other players? Caution: Not suitable for children under 36 months. - Number of players: For 2 to 5 players aged 10 and over - Playing time: 20 to 50 minutes Contents: - 2 blocks of 100 sheets each with 4 game boards - 2 dice - 6 ships - 5 steering wheels - 5 victory point markers - 2 game boards - 1 treasure chest - 5 pens - 1 set of instructions
