Product Description

Aufachse - Brettspiel (DE), for 2-6 players, ages 8+

When good family fathers suddenly turn into keenly calculating freight forwarders and children easily drive large trucks, then it is played on the axis! Trucks, freight and money dominate the transport business between Flensburg and Verona. The competition between freight forwarders calls for sophisticated route planning, tense price wars and optimal utilization of the truck freight compartments. Again and again, new events occur that make life more difficult or even easier for drivers. Foresighted planning and - as so often in life - a helping of luck bring the hoped-for lead in this exciting family game.
