Product Description

Zock 'n' Roll - The gaming game for Kniffel fans with a clear view (DE), for 3-6 players, ages 8+

The dice dance across the table and the players look forward to the result. In the old gambling manner, everyone asks themselves: Should I get out and be satisfied with the small success or should I stick with it and maybe get nothing in the end? A good poker face is definitely required. Because the three dice, which every player keeps hidden for himself, and the result of which he can add to the open throws, create additional uncertainty and tension. If the other players pinch in the first few rounds, the last one can skim off all the cream.
