Product Description

Ganz schön clever - dice game (DE), for 1-4 players, ages 8+

"The dice want to be chosen very cleverly because they can be used cleverly. These lead to tricky chain moves. The selected die is then entered in the matching color and then provides corresponding victory points. But it is not unimportant what remains unused, because every die that has a lower number than the selected one must be served on a silver platter ... In this beautiful dice game, all players are always involved in the game in "NEXT!" Manner. Nobody has to wait long!"
