### Product Description

Die Tavernen im Tiefen Thal - board game (DE), for 2-4 players, ages 10+

The tavern in Tiefen Thal is located in the village of Tiefenthal. All citizens of the area gather there and the aim is to attract new, wealthy guests. Because only then will there be enough money to expand the tavern and attract many nobles to the tavern. But which expansion is the right one? Is the focus on money right? Or would you rather make sure that the beer flows freely? In Der Taverne im Tiefen Thal, the challenge is to choose the dice cleverly and to expand your personal deck of cards as profitably as possible. The game is structured with 5 modules so that each player can set the desired level of difficulty himself.
