Product Description

Shadowrun: shadow player, playing card set (DE), 80 cards

In the dark shadows of remote side streets, in the hippest clubs in town, in the top floors of megacorporations : Dangerous opponents and challenging encounters await shadowrunners everywhere.

Shadowrunner for Shadowrun 6 comes in a card game box and contains 20 other characters from the ADL in addition to the 50 American characters from the Rogues Gallery - with values ??and descriptions, to bring all 70 NPCs straight to the gaming table.

Warning!Not suitable for children under 36 months.
