Product Description

Munchkin Warhammer: Age of Sigmar - Chaos & Order Extension (DE)

No conflict defines the Age of Sigmar as much as the battles between the forces of chaos and order.

The Chaos & Order Expansion for Munchkin Warhammer Age of Sigmar introduces two new armies from every side of the war, extremely popular with fans: the Kharadron Overlords, who dig for gold in the heavens over the realms of mortals, and the Khorne Bloodbound, the Fight everything and everyone, including yourself. The two strongly contradicting philosophies of chaos and order collide with full force in this expansion. There are encounters full of blows and stings. Heroes are born here! And as always with Munchkin, you can loot anything that is not nailed down!

Warning! Not suitable for children under 36 months. Legal minimum age: 12

- Players: For 3 to 6 players, ages 12+
