Product Description

Orléans: Stories 3 and 4 - Board Game, 2-4 Players, Ages 12+ (DE Expansion)

The Settlers and England vs. France now together in one expansion box!

In the 3rd story of The Settlers you go back to the beginnings of settlement around Orléans. The industrious peasants gradually expand their settlements with the help of old acquaintances such as craftsmen, monks and scholars, and only have to contend with minor skirmishes that somewhat interfere with their otherwise quiet lives. This is a story for all those who love the quiet build-up without much outside disturbance.

Story 4: England vs. France, on the other hand, is completely different: the age-old feud between the two countries serves as the basis for the clashes between the teams. Exactly 4 players take part, 2 of them playing for France, the other two for England. But who is who? This secret is only revealed in the course of the game, and often the surprise is great, as one had bet on another competitor. Now it is a matter of quickly completing the common task and hoping that the secret messages will also contribute to victory, in order to triumph in the end.

Caution. Not suitable for children under 36 months. Legal minimum age: 12
