Product Description

Puzzle: Harry Potter and the secret of Azkaban, 1000 pieces (DE)

Ravensburger Puzzles means puzzle fun in premium quality. For beginners, advanced or professionals - there is the right number of pieces and the right motif for every puzzle lover. Puzzle pieces, characteristic and unique through hand-made punching tools. Decades of experience in jigsaw puzzle production and the high quality standards make the hearts of puzzlers beat faster and let you experience how one thing fits the other. Passion is lived here.

Ravensburger Puzzles means puzzle fun in premium quality. For beginners who feel comfortable with a small number of pieces, for advanced puzzlers who prefer a medium challenge and of course for absolute professionals who do not shy away from 40,320 pieces. Thanks to the enormous variety of motifs in the Ravensburger puzzle program, nothing stands in the way of an unforgettable puzzle experience. The uniqueness of the characteristic puzzle pieces is achieved by hand-made punching tools that are manufactured with the utmost precision in watchmaking in Ravensburg, Upper Swabia. Decades of experience in the production of puzzles, the high quality demands on material, motif and design make the hearts of puzzlers beat faster and let you experience how one fits the other. This is Ravensburger's passion for quality.
