Product Description

Insert for Small World of Warcraft

The world of Azeroth is too small to contain everyone. The conflict over influence is played out on the board. In the real world, you can easily fit all the elements of the game into the insert.

e-Raptor Insert compatible with Merv is your must have accessory designed to organize and improve the experience of the gameplay.

Thanks to this insert you can arrange all game components to keep them in order – no more mess on the table while playing. No more looking for necessary elements during the game.

Moreover, when the box is closed, the components are still kept in order, ready for setting another game faster than ever!

The insert is durable and made of high-quality HDF. To assemble it, there is no glue required. It allows you to hold all components inside the box. You can see the suggested components setup on the pictures.

Keep your game organized!
