Product Description

Insert: for Eclipse - Second Dawn for the Galaxy

There are many paths to victory in Eclipse, but only one insert will satisfy true space explorers. The e-Raptor insert compatible with Eclipse: Second Dawn for the Galaxy is your must-have accessory designed to organize and improve the experience of the gameplay.

Thanks to this insert you can arrange all game components and sleeved cards to keep them in order – no more mess on the table while playing. No more looking for necessary elements during the game.

Moreover, when the box is closed, the components are still kept in order, ready for setting another game faster than ever!

The insert is durable and made of high-quality HDF. To assemble it, there is no glue required. It allows you to hold all components inside the box. You can see the suggested components setup on the pictures.

Keep your game organized!

All figures and products shown in photos are for size comparison only. They are not included in the delivery.

Attention! Not suitable for children under 36 months.
