Product Description

Scotland Yard Junior, puzzle game, for 2-4 players, ages 6+

The popular hunt for criminals from 6 years of age: simple rules, short game rounds and exciting until the end! Can the young detectives guess where Mister X is going next? Together, the clever young detectives chase the mysterious Mister X back and forth across London. In "Scotland Yard Junior" the players are hot on his heels: Mister X is evacuating for all to see by taxi, bus or underground. But where is he going to flee next? Across the Thames? Back to Buckingham Palace? Caution: Mister X likes to trick everyone ... However, he has to give up if a detective moves to the same place in London at the same time as Mister X - then he is trapped! This works best when all the players work together. Mister X wins if he manages to outsmart the detectives nine times. The detectives, on the other hand, win together if they catch Mister X three times. "Scotland Yard Junior" is a modified and simplified version of the classic game "Scotland Yard" for children from 6 years of age. Caution! Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
