### Product Description

Why did a man have to go to hospital after kicking a ball? Why was Ingo not happy even though he had scored two goals? And how can it be that the first goal in this match was scored before kick-off? When eleven friends storm across the pitch, fans are in each other's arms cheering and there are hails of yellow and red cards - then it's time for a third half and a round of black stories junior. This edition brings together 50 unerring puzzles for lightning-quick goal scorers that will make even the most astute guessers break out in a sweat. No matter whether it's sharp shots, hard-hitting blood stalks or tricky headers: In these football-mad puzzle stories, hair-raising things happen whose secrets can only be revealed by asking questions, guessing and puzzling. This black stories junior edition is just the thing for anyone who likes to stay on the ball and for whom the waiting time until the next kick-off is too long. How to play: black stories junior are exciting puzzle stories on cards that have to be cracked together. Only the expedition leader knows the solution to the puzzle, as he/she reads the puzzle on the front aloud and is also allowed to carefully study the solution on the back. The adventurers now try to find the solution step by step by asking questions, guessing and puzzling. New game variant: One puzzle card is solved per game. Only the game leader knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. The guessing fox who solves the puzzle receives an additional 3 point chips. Whoever has collected the most scoring chips at the end of the game wins! - Number of players: For 2+ players aged 8+- Playing time: 15 minutes
