Product Description

Das verrückte Labyrinth 30 years anniversary edition (DE), for 2 to 4 players, ages 7+

For the 30th birthday of the beloved classic, there is a limited anniversary edition that can be played in two game variants: classic in the light, as all labyrinth fans already know, and thanks to high-quality luminous paint, for the first time also in complete darkness! A fascinating gaming experience not only for children!

The basic rules are well known to all fans. Mysterious objects and living beings have to be searched for in an enchanted maze.

Every speler tries to clear the way by skilfully shifting the aisles. To do this, the movable course card is pushed in from one side of the playing field so that exactly one course card is pushed out again on the other side. The way to the treasure can be cleared by moving it. It takes tactics and a bit of luck to get a good starting position for the next move. This community game wins if you find all your treasures first. For the glowing variant, a dark room is required and the walls of the labyrinth and the playing figures shine in magical green. Suddenly the twelve treasures that were hidden in the light shimmer. The corresponding cards, also printed with noctilucent paint, expand the game. The exciting hunt for magic treasures is taking on a whole new twist.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
