Product Description

Sagaland (DE), for 2 to 6 players, ages 6+

Who will be the new ruler of "Sagaland"? The old king of the enchanting fairytale kingdom lives in a magnificent castle high above the forest. In search of a worthy successor, he lets the players search for all sorts of hidden treasures in the forest and bring them to his castle. The spindle of Sleeping Beauty, the belt of the brave seamstress or the tower from which Rapunzel lets her hair down - the things the king wants are well hidden under trees.

In this parlor game every player secretly goes on a hunt, on the lookout for rivals and with some luck of the dice in their luggage. Always with the aim of rushing to the castle as quickly as possible in order to correctly answer the king's questions about the hiding place. The winner is whoever is the first to correctly name three locations. Sagaland is an ideal gift for boys and girls for birthday or Christmas.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
