Product Description

The Maulwurf Company (DE), for 2 to 4 players, ages 8+

On your marks, start digging! Who has the super mole who digs through to the "golden shovel"? One from the A or Dynamit team? Or one of the power or knockout gang? All players try to get as many of their own moles as possible through the four digging layers. To do this, each player skillfully draws his moles to the digging holes. But be careful: only those who reach a digging hole in time will stay in the race, the others will be kicked out. The winner is the one who is the first to pull his mole through the target digging hole - because only one can get through!

Attention! Not suitable for children under 36 months.
