Product Description

Werwölfe Vollmondnacht (DE), for 3 to 10 players, ages 9+

It's night. Eerie figures drive their mischief. Fortunately, the sun will rise soon and we will see what the day brings. Nevertheless, caution is advised because nothing is what it seems.

"Werwölfe Vollmondnacht" is a fast-paced role-playing game that is about bluffing, tricking, covering up and deceiving. Who are the dangerous werewolves? Is there maybe even a favorite on your side? Can the seer bring light into the darkness? The game is played with three to ten players. The number of players also determines the number of respective roles that come into play. The instructions contain ten selected scenarios with a thematically appropriate distribution of roles. The selected role cards are shuffled and each player is dealt one of these cards face down.

Either a player can take on the role of the moderator himself or the players can use the free "Werewolves Full Moon Night" game master app, which reads out the individual roles and skills and thus creates an even more exciting atmosphere. The games from the series The Fleet Little ones can be played quickly, are easy to understand and ideal for on the go. They can be taken to a party, game night or the next trip.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.

- Players: For 3 to 10 players, ages 9+
