Product Description

The original Malefiz game, board game (DE), for 2 to 4 players, ages 6+

The Ravensburger classic Malefiz combines the luck of the dice, tactics and strong nerves. Many ways lead to the goal. The question arises: Is the chosen path on the game board the right one? What if you lose your luck with the dice and the other players prevent you from advancing quickly? 2-4 Malefiz® players have to quickly analyze the game and change their tactics again and again. Nerves made of tightrope and a bit of luck with the dice can't do any harm. The game includes understandable instructions for the original and the quick Maleficent and is also ideal as a gift.

Since the board game proves that nothing is lost again as quickly as the top position: If the luck of the dice wanders to the other players, the pole position is lost again in a flash! And if fate "strikes", a blockade prevents you from catching up quickly.

Blocking others and getting stones in the way without losing the fun of the game - a good exercise for young and old alike. The dice game combines simplicity with excitement and luck, fun for the whole family from 6 to 99 years. 2-4 players per game look for the best tactical path to the goal and thus to victory.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.

- Players: For 2 to 4 players, ages 6+
