Product Description

Fang den Hut! Board game (DE) 2 to 6 players, ages 6+

The classic among the family games for 2-6 players, in which the hunt for hats is made: the board game was first published in 1927, and to this day "Fang den Hut!" © has lost none of its charm. The question is still: who catches the most cones? To collect most of the headgear of his teammates, tactics and the courage to take risks are required - and of course a bit of luck with the dice.

Catch a cone or do you prefer to take cover? If fun for the whole family is to be in the foreground, the classic board game "Fang den Hut!" © is on the table. In the popular family game, even the youngest have the best chances of winning against the big ones.

But be careful: not everyone who dares always wins. Just being on your guard is not the safest strategy in every situation!

A sophisticated game plan allows 2-6 players to hunt down the coveted hats per game. The set of rules is simple and understandable, so that children from the age of 6 can use their tactics when catching a hat.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.

- Players: For 2 to 6 players, ages 6+
