## Product Description

Take it easy! (DE), for 1 to 6 players, ages 10+

Top-class placement game for 1-6 players: In this game for tinkerers, you shouldn't let your fellow players fool you. Only those who lay continuous rows of colors from one side to the other can collect the highest number of points and triumph.

"Take it easy!" Is the name of the game. If, however, a wrong card destroys a complete row of colors just before the saving goal, it is good to remember the name of the game. Because then you have to put up with the loss of points and start a new row: new game, new strategy, new luck.

The parlor game is suitable for all players from the age of 10 and is an exciting task on its own! The aim is to achieve the highest possible number of points from round to round.

Attention puzzle geniuses: The highest possible score is 307 points, which can be cracked with 16 different solutions. The Ravensburger classic "Take it easy!" Trains the ability to concentrate and plan complex processes and moves in advance.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.

- Players: For 2 - 6 players, ages 10+
- Playing time: 45 minutes
