Product Description

Make 'n' Break '17 (DE), for 2 to 5 players, ages 8+

The building game of the decade - now completely new! "Make 'n' Break" has a huge fan base that can now look forward to a new generation of turbo-fast action fun in 3D. From now on we will build and score together. But only one person can still win! While stone on stone is being put together, the timer is unmistakably ticking and setting the rapid pace that nobody can escape.

"Make 'n' Break" is the exciting challenge for large and small builders. Only those who can build quickly together win. Combination skills and dexterity decide in this classic building game whether the requirements set on the 80 double-sided building cards can be met under time pressure. The new 160 tasks are really tough and show that the new "Make 'n' Break" is even a tad more sophisticated than before. Building is even more varied thanks to the fun cube with its tricky and clever construction variants! If you want, you can also play the new "Make 'n' Break" in the classic version from time to time. In this motor skills game, players learn to handle speed, make decisions at lightning speed and demonstrate their ability to work in a team.

Caution: Not suitable for children under 36 months. Choking hazard due to small parts that may be swallowed.
