Product Description

Glow, card game (DE), for 2-4 players, ages 10+

Overnight the darkness became even blacker. The green of the trees and the outlines of the volcanoes can no longer be seen. There is silence. In order to drive away this darkness and give the world its color back, it takes many splinters of light. That is why adventurers are born and trained: to master the power of the elements, choose companions and find a way to the enlightened villages. But only one can collect the most fragments of light and become a legend.

Adventurers, build up your group by taking on a new companion every round and optimally combining their powers. Roll and roll again to take advantage of your companions ... or their disadvantages. Collect as many shards of light as possible to drive away the darkness and bring color back to the world.

In short, Glow is a card, dice, and combination game. The box contains many colorful dice and a double-sided game board for two different game experiences (Realm of Shadows and Sea of ??Darkness). Sometimes you have to rely on luck, but you can't lose sight of your card combinations either.
