Product Description

Dungeon Crawl Classics: Swords against death - Brochure (DE Edition)

Punjar: Madmen with wide-open eyes wander the streets proclaiming the end of all days, priests in chainmail crush the skulls of pagans, and frightened virgins are offered as sacrifices in wicked temples. But even the greatest of shining temples and the strangest of mystery cults dare not challenge the terrible finality of death. Until now. In Swords Against Death, adventurers cross the boundary between the realms of the living and the dead. In a desperate gamble, they risk their own souls to free one soul from the ancient clutches of death. To win against the god of perdition, one must be daring, brave and cunning. But when all else fails, you must be willing to raise your swords against Death!
