Product Description

The Shadow of the Demon Lord: Tales from the Shadow - Adventure campaign, Hardcover, 96 pages (DE Edition)

A shadow lies over the land and it falls upon you... See the signs of doom, hear the cries of the prophets, feel the breath of death. The arrival of the demon lord is imminent!

Tales from the Shadows takes you to the border town of Kreuzing, on the farthest edge of the dying empire. In its winding alleys, ancient walls, and strange fairy towers, you must battle mad cultists and vile demons to emerge as a steeled champion - and perhaps save the world. Eleven adventures take you from level 0 to level 10, and each adventure can be played as part of the campaign or as a stand-alone adventure.
