### Product Description

CrossBoule Set - Beach, for 2+ players, ages 6+ (DE edition)

CrossBoule - that is boules in the 3rd dimension and a lot more ...

At CrossBoule, every player has their own set of balls in one of twelve modern designs. Unlike boules, the balls are made of soft material, flexible and crumple. They are thrown onto benches, stairs, shelves - depending on where the target is. The imagination knows no limits. Each terrain offers players new challenges. Even in snow, rain and in the water, the fun doesn't stop.
