## Product Description

Silencio, card game, for 2-4 players, ages 10+ (DE edition)

Silencio is the wordless card game that challenges players to think and act for one another.

All players form a team together. However, you are not allowed to speak a word to each other. The goal is to collectively lay down four card colors in coherent rows of numbers. Each new card played must have a higher value than the last card of the same suit played. Depending on whether the value of the new card directly follows the value of the previous card or not, the player's turn has different effects. If the team uses these effects skillfully, they can play as many cards as possible together.

Warning! Not suitable for children under 36 months. Legal minimum age: 10

- Number of players: 2-4
- Playing time: 15 minutes
- Age: from 10 years
