Product Description

Dungeon Crawl Classics: The return of the old god - Brochure, 28 pages (DE Edition)

The cold poisonous breath of death goes around. Knives sparkling in the moonlight. A mountain of ice passes in the sky. These ominous events accompany the return of an ancient evil long forgotten by man. On the night of the winter solstice, when the fate of the world hangs in the balance, in a battle between fire and ice, a deity awakens from its long sleep. This threat can only be countered by those chosen by the Lord of Flames. These heroes must conquer the danger and stop the god before he regains his evil power and reminds the world why the ancient forests are places of horror. An adventure for level 1 SC.
