Product Description

Dungeon Crawl Classics: The curse of the barbarian kings - Brochure, 24 pages (DE Edition)

The village of Hirot, surrounded by windswept moors and gloomy forests, is currently in great distress. Every night, when the sun has sunk behind the mountains to the west and only small stubs are left of the lit candles, a hellhound stalks the village streets, falling upon all who live there in its lust for blood. From the warlord to the beggar, from the old woman to the child, no one is safe from him.

To defeat the immortal dog, blades and spells alone are not enough. If they want to slay the beast, the adventurers will have to fathom the secrets of the land and the barbarian kings. Only if they get their hands on artifacts forged in a bloodthirsty and long-gone time can the most cunning and courageous among them dare to challenge the Hound of Hirot!
