Product Description

Dungeon Crawl Classics: Viewer from the depths - Brochure (DE Edition)

The winning adventure of the 2012 Mystery Map Adventure Contest! The rumors are true! The Cave of Secrets contains a treasure hoard large enough to buy seven kingdoms. Mountains of gold coins! Precious gems as big as your fist! Shimmering swords and jeweled wands, all so magical they crackle with power! All that still stands between your lousy existence and a life of plenty are a teeny-tiny Elder Deity prone to devouring entire worlds, an endless army of vile spawn, a veritable tidal wave of flying eyeballs with incredible powers, giant acid worms, and a curse that has the power to rip your eyes out of your skull. Do you have the guts to stare down a deity or will your eyes forever decorate the treasury of the beholder from the deep?
