Product Description

Mixed doubles 3 - New crazy letter twists, 2+ players aged 16+ (DE-edition)

Clear the stage for episode three! The mixed doubles, the well-known memory game with crazy spinning letters, goes into the next round. That means 36 new word pairs for the friends of the shortest column in the world. This time the quark braid finds its way to the quartz head, the worm point to the storm wave or the chair leg to the Buhlstein.

The language diamonds from the magazine of the Süddeutsche Zeitung are, as usual, carefully cut and brilliantly illustrated. After the black box from episode 1 and the white box from episode 2, the mixed double 3 appears in elegant gray.

- Players: For 2+ players, ages 16+
- Duration: 30 minutes
