Shadowrun: corporate forces, hardcover, 180 pages (DE edition)

Business plans

You can forge schemes, set goals, think ahead and plan events in the future - the megacorporations of the Sixes World will always bother you and ruin your day. The cons are your clients and your opponents, the source of your money and the reason for your despair and defeat. If you don't know her, you can only lose. Because knowing about them is the first step in bringing them down.

Corporations is a source volume for Shadowrun 6 and offers an update on all ten major megacorporations in the Sixth World. Regardless of whether you are working for one of these powerful opponents or whether it is against him: This book contains everything you need to know about the game with the giants. And survive.
