Product Description

Shadowrun: Shadow dossier 2, limited edition, 164 pages (DE edition)

Knowledge is power - hardly a proverb is more true in the life of shadowrunners. Because if you put yourself in danger, with the right knowledge you will always have an advantage. Would you like to be active in the battle-torn shadows of Marienbad? Your next assignment will take you into the corporate world of the Frankfurter Bankenverein? Mr Schmidt wants something for his private collection of paintings, and now you're stuck in the depths of the illegal art trade? Are you going on a trip to the most mysterious, magical places of the ADL and neighboring countries? Or have you always wanted to join the fire brigade? Knowledge is power. Or at least extend your life.

The shadow dossier 2 is the second anthology of the PDFs published so far for the ADL for Shadowrun 6. It summarizes the data pulses for the fire brigade, magical places, art theft, the Frankfurter Bankenverein and Marienbad, including a small, exclusive extension to the North German distress -Rescue company.
