Product Description

Million Dollar Script, card game, for 3-10 players, ages 14+ (DE edition)

The time of year has come when Hollywood studios listen to new ideas for movies. As every year, one hopes to land the next global blockbuster. Teams of screenwriters fiercely compete for success - whoever gets the scriptwriting job can earn millions.

Million Dollar Script is set in the glamorous conference room of a large Hollywood studio. After a thorough market analysis, the executive suite decided on a knock-out hero-villain combination with a tried and tested structure, which has been used by almost every hit movie in the last dozen years. No risk is taken. Now the only thing missing is the details that bring the story to life.

Two teams of scriptwriters have been invited to present their ideas to a senior producer.
