Product Description

Munchkin Warhammer 40,000: Cults and Pistons (DE extension)

The Cult and Piston Expansion for Munchkin Warhammer 40,000 brings two of the most iconic armies into the world of Munchkin: the Symbiotees and the Army of the Adeptus Mechanicus. The symbionts manipulate DNA to infiltrate worlds - by the time you realize they are among you, it will be too late! And the Adeptus Mechanicus, the church of the machine god, sends its soldiers in highly complex and mechanized armor to destroy anyone who dares to oppose it.

The third expansion for Munchkin Warhammer 40,000 expands the iconic game world with more than 100 new cards from two new armies.
