Product Description

Trails, board game, for 2-4 players, ages 10+ (DE edition)

A new standalone game from the Parks series. Explore national parks in the USA, collect resources to get hiking badges and roll the dice for additional income if you can observe a wild animal.

In TRAILS, players hike back and forth on the path, collecting stones, acorns and leaves, taking photos and encountering wild animals for bonuses. At the starting point and at the end of the trail, players can turn in resources to earn badges and then hike back in the other direction.

When the players visit the end of the path, the sun sets on the path. When night falls, the locations of the path grant more powerful actions, but they won't last forever. When the sun leaves the path, the final game round takes place. Then the player with the most points wins from collected badges, photos and bird watching.

Warning! Not suitable for children under 36 months. Legal minimum age: 10

- Number of players: 2-4
- Duration: 20-40 minutes
- Age: from 10 years
