Product Description

Midnight Market, children's game, for 2-4 players, ages 6+ (EN, DE edition)

It's finally the midnight market again! But only adult wizards and spirits are allowed to visit. Bad luck for the magic students! Because only there are wonderful delicacies and magical pets. There are even the rare Vanishing Stars. They need the spirits to make themselves invisible. "I would love to make myself invisible too!" Says Anna. Amir has an ingenious idea: "We just cheat on visitors to the market dressed up as ghosts!" The others think it is a great plan. "We don't stand out like that. Maybe we can get hold of these Vanishing Bus stars? We can do a lot of jokes with that!" A team is always made up of four disguised wizarding students. And off we go to the midnight market.

Midnight Market expands the popular wizarding world of magic to the power of three, Fabulantica, Mary Magica and Hexenhochhaus. The gruesome ghost memory game includes a three-part rating so that more than one person can win.
