Product Description

UNO Extreme card game for 2 to 10 players, ages 7+ (FR, IT, DE edition)

UNO comes up with an action-packed, exciting game variant. When a player draws the "Attack" action card, he must press the electronic card sling of the UNO Extreme game. If he's lucky, nothing happens. But if he's not lucky, he has to add the UNO Extreme card torrent to his hand.

The electronic card thrower emits a multitude of noises that make the game even more exciting. The cards can be stored perfectly in the sling and can be easily taken with you for fun on the go. The goal remains to be the first to discard all cards. Very important: If you only have one card in your hand, you have to shout "UNO!".

Warning! Not suitable for children under 36 months.

- Players: For 2 to 10 players, ages 7+
- Playing time: 20 minutes
