Product Description

Phase 10 Junior, card game for 2 to 4 players, ages 4+ (DE edition)

The card game Phase 10 Junior is played according to the same principle, based on Rummy, as the classic Phase 10, but in a simplified version for young card fans. Thanks to two levels of play, the game grows with younger children and is always a challenge. Cute animal pictures on the cards make it easier for children from 3 years of age to identify and help them learn the rules. On the two game levels, there are easier phases for the beginning, which then become more difficult later.

Warning! Not suitable for children under 36 months.

- Players: For 2 to 4 players, ages 4+
- Playing time: 15 minutes
