Product Description

Phase 10, card game for 2 to 4 players, ages 10+ (DE edition)

A rummy-like card game with a special challenge from the game makers at UNO. The aim of the game is to be the first to complete 10 different phases, such as two triplets, a seven success story or seven cards of the same suit. The specialty is that the phases have to be completed in a certain order. If you have completed a phase, you can start the next phase in the following round. If you haven't made it yet, you have to try it until it works.

Each deck of cards includes joker and sit out cards, which add excitement and can help you overcome difficult situations. A joker card can replace a number card and can also be used for any color to complete a phase. A suspension card ensures that another player is not allowed to take his turn.

Warning! Not suitable for children under 36 months.

- Players: For 2 to 4 players, ages 10+
- Playing time: 45 minutes
