Product Description

Blokus, board game for 2 to 4 players, ages 7+ (DE, FR, IT edition)

Blokus - the game for the whole family! Easily understandable for beginners and a real challenge for professionals, as the countless game combinations never get boring!

Each player chooses a color and has to place the pieces of this color starting from the corners of the board. All stones of the same color must have a direct connection. They are only allowed to touch at the corners - never at the sides. The game is over when a player has discarded all of his stones or no player can discard any more.

Whoever has the fewest squares left wins!

Warning! Not suitable for children under 36 months

- Players: For 2 - 4 players, ages 7+
- Playing time: 30 minutes
