Product Description

SOS monkey alarm, children's game for 2 to 4 players, ages 5+ (DE edition)

in turbulent fun. Chopstick game was yesterday, today you play in the third, fantastic dimension. And that even makes the monkeys in the jungle crazy, based on the game title: S.O.S. Monkey alarm. The playground is a three-dimensional palm tree, the so-called monkey palm.

But the monkeys have to be pissed off first. This is how it works: First, all colored sticks are inserted into the holes of the transparent monkey palm and the monkeys are placed on them. Because now the fun really starts. In turn, the players must roll the dice and pull out the sticks of the color rolled without the monkeys falling down. You have to pick up all the monkeys that you let fall in your dice round. The winner is whoever let the fewest monkeys crash in the end. Great fun for steady hands from the age of five.

Warning! Not suitable for children under 36 months.

- Players: For 2 - 4 players, ages 5+
