**Product Description**

How could the accident happen, even if they weren't travelling particularly fast on the motorway? Why did George win the gold medal at the Olympic Games even though Thomas swam faster? And how could it happen that there was a rear-end collision in a place where there are no cars? Whether it's smoking lunchboxes, life-saving volcanic eruptions, hair-eating machines and fish raining from the sky: Sheer unbelievable and absurd things happen in these mysterious puzzle stories. And the most fascinating thing about them is that they really and truly happened. By asking questions, guessing and puzzling, the players gradually work their way towards solving the puzzle. Because only those who think skilfully around corners will uncover the secrets. This black stories junior edition contains 50 really true stories full of secrets. How to play: black stories junior are exciting puzzle stories on cards that have to be cracked together. Only the expedition leader knows the solution to the riddle, as he/she reads the riddle on the front aloud and is also allowed to study the solution on the back in detail. The adventurers now try to find the solution step by step by asking questions, guessing and puzzling. New game variant: One puzzle card is solved per game. Only the game leader knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. The guessing fox who solves the puzzle receives an additional 3 point chips. Whoever has collected the most scoring chips at the end of the game wins!- Number of players: For 2+ players aged 8+- Playing time: 15 minutes
