### Product Description

Everdell: Spirecrest - from 10 years (DE Expansion)

Far beyond the Everdell valley, new adventures await! On the way through the mountains of Spirecrest, brave mountaineers discover mysterious places, meet friendly residents and with a little luck they might meet one of the legendary giant creatures. So you have to muster up all your courage, pack your hiking equipment and off you go on a daring expedition! Spirecrest is an extension for Everdell. On a new game board, players move their travelers forward on the path through the mountains in the course of the game, collect map pieces, make amazing discoveries and defy the adversities of the weather. It is important to use your own special skills skillfully and to plan a unique expedition with the help of the map pieces. The goal is of course to found a splendid city and so be remembered forever by the inhabitants of Everdell with glorious expeditions.

Note: Spirecrest significantly increases the complexity of the base game Everdell. It is recommended not to combine Spirecrest with other extensions.

Attention! Not suitable for children under 36 months. Legal minimum age: 10, legal maximum age: 99

The base game is required!
