Product Description

Armonia - dice game, for 1-4 players, from 8 years (DE edition).

Armonia is another game by Uwe Rosenberg from the Sagani universe. In Armonia, the question of the origin of the sound discs, which play a crucial role in Sagani, is answered. Together with cute little gnomes, furry yetis, bouncing cyc-hops and wet but happy octis, you go in search of the most melodious sounds and harmonies. In the Temple of the Clouds, you forge the melodies you find into sound discs. To do this, you have to solve tasks to unleash the true harmonic magic!

Armonia is a dice game for young and old, in which players roll the dice up to three times each turn to move their sound discs on their way to the Temple of Clouds. With the results of the dice, however, not only can the sound discs be moved, but also tasks can be triggered and fulfilled. Which of these brings the greatest advantage must be decided anew in each game situation. The player who makes the best decisions will be the first to forge four of his six sound discs onto the finished temple disc sets and thus win the game.

Attention! Not suitable for children under 36 months. Legal minimum age: 8, Legal maximum age: 99

- Number of players: 1-4
- Age: from 8 years
- Game duration: 30-60 minutes
