Product Description

First Rat - Board game, for 1 to 5 players aged 10+ (DE/EN edition).

For generations, the rats in the old junkyard have been telling each other the great legend about a moon made out of cheese. And now they have a plan: build a rocket and take over the Cheese Moon!

Of course, all the rats work together to achieve this magnificent goal. However, each rat family is also competing to build the most rocket parts and to train the most Rattronauts so they can feast on as much of the lunar cheese as possible.

Play solo or with up to 5 players. Numerous strategies, special skills, and a variable setup create new excitement for every game.

Caution. Not suitable for children under 36 months.

- Players: For 1 to 5 players aged 10+
