## Product Description

Animotion, board game, for 3-8 players, from 8 years old.

Animotion provides a lot of animal fun in the literal sense of the word. The players should bring along the desire to laugh, because they try to portray an animal in pantomime. In addition, the animal shows a certain emotion that the guessers have to recognise. So that combinations such as "happy goldfish" are not quite so difficult to decipher, there are six cards each with animals and emotions.

The entertaining game principle of Animotion, short rounds of about 20 minutes and a number of persons from three to eight are perfect for a family game evening as well as a party game - laughs guaranteed!

The 50 animal and 50 emotion cards include a skunk, a squirrel, a pelican and many other trendy animals.

Caution! Not suitable for children under 36 months. Legal minimum age: 8

- Players: For 3 to 8 players aged 8+
- Game duration: 20 minutes
