Product Description

Why is a man happy about a shark attack despite numerous wounds? How can it be that there were no casualties in a huge road accident? And why was Kimo in danger of dying of thirst in his home, even though there was plenty of water? When the sun burns mercilessly from the sky, the supply of drinking water slowly dwindles and you are surrounded by a pack of hungry hyenas - then it's time for a round of action. These black stories junior bring together 50 dangerously tricky puzzles full of adventure that will make even the most astute of guessers break out in a sweat. Whether headless cockroaches, helpful sharks or voracious vultures: in these nerve-wracking puzzle stories, hair-raising things happen whose secrets can only be uncovered by asking questions, guessing and puzzling. This black stories junior edition is just the thing for anyone looking for a real adventure. How to play: black stories junior are exciting puzzle stories on cards that have to be solved together. Only the expedition leader knows the solution to the puzzle, as he/she reads the puzzle on the front aloud and is also allowed to carefully study the solution on the back. The adventurers now try to find the solution step by step by asking questions, guessing and puzzling. New game variant: One puzzle card is solved per game. Only the game leader knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. The guessing fox who solves the puzzle receives an additional 3 point chips. Whoever has collected the most scoring chips at the end of the game wins! - Number of players: For 2+ players aged 8+- Playing time: 15 minutes
