Product Description

Why did Oskar climb into a dustbin freshly showered? Why did Mrs Öhmchen serve her burglar coffee and cake? Why was Tiago mistaken for a turkey? And how could the toilet flush reveal a thief? These funny and absurd puzzles about disgusting ice cream flavours, burning pants, clumsy criminals and exploding dog poo are all somewhat curious - and sometimes almost unbelievable. You can only figure out the hilarious puzzle stories full of humour by cleverly thinking outside the box and using your powers of deduction. Incredible amazement and spontaneous smiles included! How to play: black stories junior are exciting puzzle stories on cards that have to be solved together. Only the expedition leader knows the solution to the riddle, as he/she reads the riddle on the front aloud and is also allowed to carefully study the solution on the back. The adventurers now try to find the solution step by step by asking questions, guessing and puzzling. New game variant: One puzzle card is solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. The guessing fox who solves the puzzle receives an additional 3 point chips. Whoever has collected the most scoring chips at the end of the game wins! - Number of players: For 2+ players aged 8+ - Playing time: 15 minutes
