Product Description

How did a man survive jumping out of an aeroplane without a parachute? How can it be that a supermarket thief is 150 euros poorer after his crime? And why is Bill happy when he becomes the victim of a theft? In these mysterious mystery stories about swallowed diamonds, criminal parrots, humorous burglars, eaten murder weapons and (un)perfect disguises, things are always a little strange. The top-secret puzzles for clever sleuths can only be unravelled by clever thinking outside the box and a good gift for deduction. And the most fascinating thing is that they really and truly happened! How to play: black stories junior are exciting puzzle stories on cards that have to be cracked together. Only the expedition leader knows the solution to the riddle, as he/she reads the riddle on the front out loud and is also allowed to study the solution on the back in detail. The adventurers now try to find the solution step by step by asking questions, guessing and puzzling. New game variant: One puzzle card is solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. The guessing fox who solves the puzzle receives an additional 3 point chips. Whoever has collected the most scoring chips at the end of the game wins! - Number of players: For 2+ players aged 8+ - Playing time: 15 minutes
